Places to Explore

There are many incredible and interesting places to explore in the area. Take a walk through the dunes, along the sandy shores, or see what beauty lies in the forest. We have made a list of our favorite outdoor spots in the area. Hope you check them out and enjoy them like we do.

National Seashore Bike Trail

Along the National Seashore there is a biking trail that winds through the Provinceland Dunes and Beech Forest. This is an incredible 8 mile paved bike loop you do not want to miss. Bike rentals available at Gale Force Bikes in P-town.

Address: Beech Forest Trail, Provincetown, MA

Website for bike rentals: galeforcebikes.com

Snail Trail

Take a walk through the dunes of the outer cape. This trail was featured on National Geographic and leads from Snail Road all the way out to the beaches along the Atlantic Ocean. Be sure to bring water as it is fully exposed.

Address: Parking on the end of Snail Rd.

Race Point Beach

Feel like enjoying a day at the beach? Provincetown has some incredible beaches, but Race Point Beach on the Atlantic side is by far our favorite. Be sure to bring lots of sunscreen and don't forget the beach towels

Directions: Type in 'Race Point Beach,' on maps for detailed driving instructions.

White Cedar Swamp Trail

For the most adventurous folks visiting the Cape, the White Cedar Swamp Boardwalk is a great place to go for a hike. The trail itself is only a few miles in length, but takes you through the largest White Cedar Swamp on the outer Cape.

A good place to spend the day. Don't forget to bring bug spray!

Directions: Parking is at "Marconi Area." Search on google maps for detailed directions

Fun in the Area

Dolphin Whale Watch Provincetown

Go Whale or Seal watching with Dolphin Fleet. Unlike many other whale watches, their trips offer a wide spectrum of educational tools that go beyond the “average whale watch”. Fun and Educational.
